HOW TO ORDER

Sworn Law Enforcement Officers Only:

You can submit a completed order form with your payment, a legible copy of your Drivers License and the front and back of your State Police Commission ID and a Purchase Authorization Letter (see attached sample PAL) signed by you and a department designated person of authority (POA) on official department letterhead, and we can ship your firearm directly to you at your official department address. No additional paperwork is required.

Everyone:

In person, by appointment at our office. As a law enforcement distributor specializing in selling directly to police departments and other law enforcement agencies, we do not have a retail store. **If you are a Texas resident**, we welcome you to meet us at our office in Dallas to complete your purchase. Please call David Goldstein at (972) 960-8301 ext 312 for purchasing details, availability or to set an appointment to come by the office. Please do not drop by the office without an appointment.

By mail and have your firearm shipped to a dealer. Unless you are a Texas resident planning to purchase the firearm in person at our office in Dallas by appointment, Federal law requires us to transfer this firearm to a Federal Firearms Licensed dealer in your area for delivery to you. Most pawn shops or local gun stores will provide this service to Law Enforcement free or for a small fee to process the paperwork and background check as required by law.

The process is simple:

- 1) Locate a local pawn shop or gun store we can ship your firearm purchase to. Get a clean, legible signed copy of their current Federal Firearms License. We can only ship your purchase to the address on the FFL.
- 2) Complete and sign the attached order form.
- 3) Return the order form with your payment, a copy of your Texas Police Association membership card and a copy of your local gun dealer's signed FFL to us and we will process and ship your order to the dealer for delivery to you.

The following wording and format must be copied exactly on your AGENCY, DEPARTMENT or OFFICE LETTERHEAD. The original PAL submitted to CMC Government Services must have original signatures in **BLUE INK**. Copies, faxed copies, rubber signature stamps or signature copies are NOT permitted.
